MILLIE EXPORTS LTD.,

TOWNES, United States District Judge:

On July 12, 2010, the Honorable Steven M. Gold, United States Chief Magistrate Judge, issued a Report and Recommendation ("R&R"), recommending that the Court dismiss all claims in this action for failure to prosecute. R&R at 1. Chief Magistrate Judge Gold advised the parties that they had fourteen days from the issuance of the R&R in which to file written objections to it. *Id.*

As of the date of this order, the Court has not received any objections to the R&R. A district court is not required to review the factual or legal conclusion of the magistrate judge as to those portions of a report and recommendation to which no objections are addressed. *See Thomas v. Arn*, 474 U.S. 140, 150 (1985). Therefore, the Court adopts the R&R in its entirety as the opinion of the Court pursuant to 28 U.S.C. § 636(b)(1).

CONCLUSION

For the reasons stated above, Chief Magistrate Judge Gold's Report and Recommendation dated July 12, 2010, is adopted in its entirety. All claims in this action are

hereby dismissed and the Clerk of Court is directed to close this case.

SO ORDERED.
